How It Works:

1. Students and families can choose a book that fits the monthly challenge. Local libraries and independent bookstores are great places to seek recommendations!
2. Each month, a parent/guardian can fill out a short form to tell us about the book. The submission form can be found at forms.gle/aVTnF3aLXeyC35Sr7 (or follow the QR code)
3. Keep an eye on the Reading Challenge Student Edition page on our website for participating partners and related events. The page can be found at massbook.org/student-reading-challenge
4. Mass Center for the Book will run drawings for prizes. Monthly participation determines eligibility. Have fun!
